

Park Pointe HOA

Town Hall Meeting 08/22/2012 – Minutes

PACT Meeting

Officer Pope led our PACT (police and citizens together) meeting.

- You can always look at “crimereports.com” to look at any recent crimes in Suwanee. Note that if you do a map search you may get George Pierce Park (55 Buford Hwy)
- Suwanee police will be having a grand opening tour of the new Police Training Center/substation on 2966 Lawrenceville Suwanee Rd on September 10. RSVP marshall@suwanee.com
- There will be a Suwanee Citizens Police Academy starting this September.
- Officer Pope discussed Suwanee citation statistics (available on crimereports.com).
- Officer Pope distributed safety tips for women during the holidays. Important tips:
 - Be aware of what is going on around you.
 - Body language: “don’t look like a victim” (looking down at the ground).
- Garage doors in the neighborhood have been left open more recently. This is a bad idea – it sends a statement that we are careless. We have had theft out of garages. Also it’s a bad idea to leave it open even a little as someone can roll underneath.
- You can now get weather alerts sent to your phone (go to Suwanee.com; it’s coming online in October). It’s code red!
-
